

## NOTICE OF MATERIAL CHANGE TO CONTRACT

May 1, 2021

Re: **Updated AIM Rehabilitative Program Effective August 1, 2021 – Initial Evaluations and Site of Service Reviews**

Dear Provider:

Anthem Blue Cross and Blue Shield and our subsidiary company, HMO Colorado (Anthem) are committed to being a valued healthcare partner in identifying ways to achieve better health outcomes, lower costs and deliver access to a better healthcare experience for consumers.

Effective August 1, 2021, AIM Specialty Health® (AIM), a separate company, will expand the AIM Rehabilitative program to perform medical necessity review of the initial evaluation service codes and requested site of service for physical, occupational and speech therapy procedures for Anthem insured members, as further outlined below.

AIM will continue to manage Physical Therapy (PT), Occupational Therapy (OT) and Speech Therapy (ST) medical necessity reviews and will require pre-certification for all outpatient facility and office-based rehabilitative and habilitative services. Prior authorization will now also be required for the initial evaluation service codes, unless otherwise prohibited, to alert the provider of the site of care program and ensure the member is receiving care at the appropriate site of service early in the process. After the evaluation, ongoing services will be subject to site of care review and require prior authorization. AIM will use the following Anthem Clinical UM Guidelines: CG-REHAB-10 Site of Care: Outpatient Physical Therapy, Occupational Therapy, and Speech-Language Pathology Services. The clinical criteria to be used for these reviews can be found on the Anthem Provider portal Clinical UM guidelines page. [Anthem Provider portal Clinical UM Guidelines page](#). *Please note, this does not apply to procedures performed in an inpatient or observation setting, or on an emergent basis, members currently in an episode of care at the start of the program, services with diagnosis of autism, and members from birth to 6 years of age.*

A complete list of CPT codes requiring prior authorization for the AIM Rehabilitation program is available on the [AIM Rehabilitation microsite](#). To determine if prior authorization is needed for an Anthem member on or after August 1, 2021, Providers can contact the Anthem Provider Services phone number on the back of the member's ID card for benefit information. They will be informed whether the AIM Rehabilitation program applies. AIM will also have a file upload from the health plan of the in-scope membership and will not provide pre-certification for members who are out of scope. If providers use the Interactive Care Reviewer (ICR) tool on the Availity Portal to pre-certify an outpatient rehabilitative or habilitative service, ICR will produce a message referring the provider to AIM. (Note: ICR cannot accept pre-certification requests for services administered by AIM.)

### **Members included in the new program**

All fully insured members currently participating in the AIM Rehabilitative program are included. Medicaid members will be included in a separate communication. The following groups are excluded: Medicare Advantage, Medicaid, Medicare, Medicare supplement, MA EGR, Federal Employee Program® (FEP®).

For self-funded (ASO) groups that currently participate in the AIM Rehabilitative program, the program will be offered to self-funded accounts (ASO) to add to their members' benefit package.

For services provided on or after August 1, 2021, ordering and servicing providers may begin contacting AIM beginning July 19, 2021, for review. Providers may submit prior authorization requests to AIM in one of several ways:

- Access AIM's **ProviderPortal**<sub>SM</sub> directly at [providerportal.com](http://providerportal.com). Online access is available 24/7 to process orders in real-time and is the fastest and most convenient way to request authorization.
- Access AIM via the Availity Web Portal at [availity.com](http://availity.com).
- Call the AIM contact center toll-free number 1-877-291-0366, Monday-Friday, 8:00 a.m. – 6:00 p.m. MT.

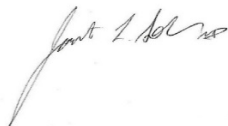

Initiating a request on AIM's **ProviderPortal**<sub>SM</sub> for PT/OT/ST and entering all the requested clinical questions will allow you to receive an immediate determination. If the request is approved, you will receive the Order ID, the number of visits and valid time frame. [The AIM Rehabilitation Program microsite](#) on the AIM provider portal helps you learn more and access helpful information and tools such as order entry checklists.

### **AIM Rehabilitation training webinars**

Anthem invites you to take advantage of a free informational webinar that will introduce you to the program and the robust capabilities of the AIM **ProviderPortal**<sub>SM</sub>. Go to the [AIM Rehabilitation microsite](#) to register for an upcoming webinar on June 22<sup>nd</sup>, July 8<sup>th</sup> or 27<sup>th</sup> at 3pm ET. If you have previously registered for other services managed by AIM, there is no need to register again.

We value your participation in our network and look forward to working with you to help improve the health of our members.

Sincerely,

Jonathan Sollender, MD, MBA, FACS  
Regional Vice President and Senior Clinical Officer  
Commercial & Specialty Business Division
