RE: Professional Fee Schedule Change Notification Letter

Dear Provider:

Anthem Blue Cross and Blue Shield and HMO Nevada (hereinafter collectively referred to as Anthem) would like to make you aware of a change to our Professional fee schedule which will become **effective for dates of service on or after July 1, 2019.**

2017 RBRVS and New 2019 CPT Codes

Anthem will remain on the 2017 Resource Based Relative Value Scale (RBRVS), except for the Lab Fee Schedule listed below. New 2019 CPT Codes have all been loaded into our system.

Laboratory and Pathology Services

Anthem's Plan Fee Schedule will include both laboratory and pathology codes which will be reimbursed at the Lab Fee Schedule.

You will be able to access the Lab Fee Schedule by logging onto Availity at <https://www.availity.com>. Select the **Payer Spaces** link and from the drop down menu select **Anthem Blue Cross Blue Shield**. On the Applications page, select **Education and Reference Center** then select **Administrative Support** and choose the **Anthem Independent Laboratory Fee Schedule**. The document is password protected; the password is LAB2018.
