**RE: Claims requiring additional documentation (Facility Reimbursement Policy -- Update for Outpatient)**

Dear Provider:

Beginning with dates of service on or after August 1, 2020, Anthem Blue Cross and Blue Shield (Anthem) will update our *Claims Requiring Additional Documentation* facility reimbursement policy to include the following requirement:

- Outpatient facility claims reimbursed at a percent of charge with billed charges above \$20,000 require an itemized bill to be submitted with the claim.

For more information, view this policy online. Go to [anthem.com](http://anthem.com), select **Providers**. Under the *Provider Resources* heading, select **Policies, Guidelines, and Manuals**. Select **Colorado** as your state. Under the *Reimbursement Policies* heading, select [Access Policies](#). Then search for the Policy you would like to view.

Sincerely,
