RE: Unit Frequency Maximum for Drugs and Biologic Substances (Professional Reimbursement Policy) -- Update

Dear Provider:

Beginning with dates of service on or after April 1, 2021, Anthem Blue Cross and Blue Shield and our subsidiary company, HMO Colorado (Anthem) will update the *Unit Frequency Maximum for Drugs and Biologic Substances* reimbursement policy.

Anthem will update the related coding section of the policy to include new HCPCS codes (J9312, Q5103-Q5104 Q5107, Q5109, Q5115 Q5118-Q5119 and Q5121) and their billable units.

For more information, view this policy online. Go to anthem.com, select **Providers**. Under the *Provider Resources* heading, select **Policies, Guidelines, and Manuals**. Select **Colorado** as your state. Under the *Reimbursement Policies* heading, select [Access Policies](#). Then search for the Policy you would like to view.

Sincerely,

Janet Pogar

RVP, Provider Solutions
