**RE: Treatment Rooms with Office Evaluation and Management Services (Facility Reimbursement Policy) --
New**

Dear Provider:

Beginning with dates of service on or after May 1, 2021, Anthem Blue Cross and Blue Shield and our subsidiary company, HMO Nevada (Anthem) will implement a new reimbursement policy titled *Treatment Rooms with Office Evaluation and Management Services*.

Anthem does not allow reimbursement for office evaluation and management services when reported on a CMS 1450 (UB-04) with revenue code 761 (treatment rooms). Modifiers will not override the edit.

For more information, view this policy online. Go to anthem.com, select **Providers**. Under the *Provider Resources* heading, select **Policies, Guidelines, and Manuals**. Select **Nevada** as your state. Under the *Reimbursement Policies* heading, select [Access Policies](#). Then search for the Policy you would like to view.

Sincerely,

Joy Cleveland
